

The ONS Second Annual Institutes of Learning

November 9–11, 2001 • St. Louis, MO

Second Annual Institutes of Learning

GOAL

The goal of the Second Annual Institutes of Learning is to provide participants with a comprehensive learning experience in a focused area of oncology nursing.

OBJECTIVES

1. To promote excellence in practice by providing in-depth educational sessions that address evidence-based quality patient care and advocacy.
2. To enhance peer support through networking with fellow oncology nurses and associates.
3. To promote an awareness of issues and strategies that will facilitate changes leading to quality cancer care.
