

Poster Abstracts

Each abstract has been indexed according to first author. Abstracts appear as they were submitted and have not undergone editing or the *Oncology Nursing Forum's* review process. Only abstracts that will be presented appear here. For ONS Congress® scheduling information, visit <https://www.ons.org/congress/2024/homepage>.

Data published in abstracts presented at the 49th Annual ONS Congress are embargoed until the conclusion of the presentation. Coverage and/or distribution of an abstract, poster, or any of its supplemental material to or by the news media, any commercial entity, or individuals, including the authors of said abstract, is strictly prohibited until the embargo is lifted. Promotion of general topics and speakers is encouraged within these guidelines.
