

ONS Seal of Approval

Apply now for the ONS Seal of Approval on your nurse and patient support materials

ONS Standards and Guidelines

ONS Standards and Guidelines provide the latest evidence-based information and guidelines to ensure the best possible outcomes at the highest levels of care. As a leading voice in oncology nursing, ONS is dedicated to providing these resources to nurses on the front line of cancer treatment and patient care. ONS Standards and Guidelines can be found on the ONS website at www.ons.org.

ONS Seal of Approval

Programs and materials submitted for the ONS Seal of Approval are evaluated by ONS clinical experts, and must meet all review criteria for approval, including consistency with ONS Standards and Guidelines and quality of the educational information.

What type of programs qualify?

Nursing, patient and caregiver materials related to cancer, cancer care, or nursing are eligible for review, including:

- Non-CNE educational slide presentations, including those used for live events
- Disease state, symptom management and patient support information (non-CNE)
- Product support information for nurses, patients and caregivers (post-diagnosis)
- Non-CNE educational web pages (Note: Web sites with fluid or frequently changing content are not eligible.)
- White papers, supplements, articles and other content consistent with ONS Standards and Guidelines (non-CNE)

General Information

- The ONS Seal of Approval is valid for one year
- Branded and unbranded educational materials are eligible for review (post-diagnosis)
- ONS will not endorse products
- Content and materials must comply with PhRMA and other applicable regulatory guidelines
- Approved materials can include the company logo of the content provider and/or funder
- Accredited continuing nursing education (CNE) programs are not eligible for ONS Seal of Approval review
