Apply now for the Oncology Nursing Society Seal of Approval on your nurse and patient support materials

Oncology Nursing Society Seal of Approval Application Checklist:

- This resource contains non-NCPD nursing, patient and caregiver materials related to cancer, cancer care, or nursing
- This resource is consistent with ONS Standards and Guidelines. ONS Standards and Guidelines can be found on the ONS website at [ONS Standards and Guidelines](#)
- This resource contains references/annotations

Please submit:

- ✓ Completed Application
- ✓ Electronic file containing resource for review
 - *Only resources distributed together should be included in a single application. Please provide separate PDF files for each resource with a description of each file. Multiple pieces packaged together (i.e., toolkit) can be evaluated under one application (Additional fees may apply). Individual stand-alone pieces should be submitted in separate applications.
- ✓ One copy of the artwork for the proposed packaging, including the proposed placement of the ONS approval logo and disclaimer statement. Please visit our website to download [Oncology Nursing Society Seal of Approval Information](#)
- ✓ Purchase order number (if applicable). ONS will invoice for the review fee.

By applying, you, on behalf of the organization for which you are applying, agree and intend to be legally bound by the Oncology Nursing Society Seal of Approval Terms and Conditions, which are available [Oncology Nursing Society Seal of Approval Terms and Conditions](#) and upon request, and which are incorporated into this Application by reference.

Please return your application and submission materials to SOA@ons.org
