GUIDELINES FOR PREPARING THE ANNUAL FINANCIAL REPORT FOR RESEARCH GRANTS

PURPOSE: The Oncology Nursing Foundation requires all recipients of Oncology Nursing Foundation research grant funding to submit a yearly financial report due on the first anniversary of the original funding start date. The Foundation must document the expenditure of grant funds in compliance with the requirements of its annual audit.

AUTHORIZED EXPENSES: Authorized expenses include only the items listed in the line-item budget “approved” by the Oncology Nursing Foundation.

FINANCIAL ACCOUNTABILITY: Official expenditure reports are required from the accounting grants and contracts officer of the institution managing the grant. If the award was distributed to an individual Principal Investigator, she/he is responsible for submitting the report. Unexpended funds must be returned to the Foundation at the time the financial report is submitted (payable to Oncology Nursing Foundation). Submit financial reports to grants@onfgivesback.org

SUBMISSION DEADLINE AND POLICY FOR FAILURE TO SUBMIT REPORTS: Annual Financial Reports are due on the first anniversary of the original funding start date. The investigator or financial officer of the institution that managed the award must submit the attached financial detailing how the award funds were expended. Please document ALL expenses related to the project. Undocumented expenses will not be considered allowable and will be billed to the awardee. Receipts are NOT required for any of the documented expenses.

DISTRIBUTION OF FUNDS (based on the following criteria):
- Year-1 - Up to 75% of total grant or the amount shown in the Year-1 Budget Column
- Year-2 - 15% of the remaining grant funds
- Final 10% withheld, pending receipt of final report (due 60 days after funding period ends)

Grant recipients who do not submit the required financial and scientific final reports will not be eligible for future Foundation grant funding until delinquent reports are received and approved.

All written inquiries pertaining to the financial accounting report should include the year the award was given, name of the specific award, title of the project and PI's name. Address inquiries and/or submit the final report to:
