

8:30–10 am

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION I: Breast Cancer
Please visit the Research To Practice website for up-to-date information on educational grant support.

9–10 am

Industry-Supported Symposia

- Interactive Myeloma Clinic: Nursing Pearls for Current and Emerging Therapies
Supported by independent educational grants from GlaxoSmithKline, Oncopeptides, and Sanofi Genzyme
- How to manage patients with CLL receiving a BCL-2 inhibitor: case-based discussions
- Advocating for Your Patient: Real-World Biosimilar Experience

10–11 am

Opening Keynote

- Oncology Nursing: Catalyzing Hope and Care ○

11–11:30 am

Learning Hall Hours

- Initiating VENCLEXTA Treatment in Patient with CLL
- Seagen Inc. Booth Presentation
- Understanding Lung Cancer

11:30 am–12:30 pm

Education Breakout Sessions

- Pharmacokinetic (PK) Directed Dosing ^{AP}
- Radiation: Who, What, Where, When, and Why? ^{RT}
- The Time Is Now: Charting the Course to Achieve Health Equity (Part 1) ○
- PhD–DNP Collaboration: Opportunities to Translate Scientific Research Into Practice ^R

12:45–1:45 pm

Education Breakout Sessions

- Thinking Beyond the Current Roles of APRNs ^{AP}
- The Victoria Mock New Investigator Award Lecture ^R
- Pharmacology Update ○
- The Time Is Now: Charting the Course to Achieve Health Equity (Part 2) ○

1:45–4:15 pm

Learning Hall Hours

2–2:45 pm

Industry-Supported Learning Theaters

- Educate Your Patients on IMBRUVICA[®] (ibrutinib)
- Guiding patients on their treatment journey with NINLARO[®] (ixazomib)
- Intervening With Jakafi[®] (ruxolitinib) to Achieve Durable Count Control: Real-World Patient Case Discussion | Focus on Adults With Polycythemia Vera Who Have an Inadequate Response to Hydroxyurea
- Starting and Taking Verzenio[®] (abemaciclib), Clinical Management of Patients With HR+, HER2- MBC

2–3 pm

Chakra Balancing Yoga Flow*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

3–3:45 pm

Industry-Supported Learning Theaters

- Prevention of Chemotherapy Nausea and Vomiting (CINV) – A case-based presentation
- Selecting a First-in-Class Oral Therapy for Patients With HR+/HER2- Metastatic Breast Cancer
- Simplify with HEMADY®
- Treatment Options for the Management of Patients with 1L aRCC

3:45–4:45 pm

Education Breakout Sessions

- Customizing Nursing Care for At-Risk Family Members in Cancer Caregiving **CP**
- Prostate Cancer Overview and Radiation Treatment Management **RT**
- NIH Funding Updates **R**
- Mara Mogensen Flaherty Lectureship: Collective Care: Holding Burnout, Grief, and Joy Through the Arts **O**
Supported by the Oncology Nursing Foundation and Sarah Cannon, The Cancer Institute of HCA Healthcare

4:45–5 pm

Break

- ONS Corporate Council Resource Video: Bristol Myers Squibb

5–6 pm

Industry-Supported Symposia

- Case Studies in Multiple Myeloma Care for Challenging Times
This accredited education activity is supported by educational grants from AbbVie Inc., Bristol-Myers Squibb Company, GlaxoSmithKline, Karyopharm Therapeutics, Oncopeptides, Inc., Millennium Pharmaceuticals, Inc., a wholly owned subsidiary of Takeda Pharmaceutical Company Limited, and Sanofi Genzyme.
- Therapeutic Advancements in Myelodysplastic Syndromes: Bridging the Gap Between Patient Safety and Quality Care Through the Latest Science & Evidence-Based Learning in Nursing Practice
This activity is supported through educational grants from Bristol Myers Squibb, Gilead Sciences, Inc., Novartis Pharmaceuticals Corporation, and Takeda Oncology.
- Considerations for Tailoring Treatment for First-Line and Relapsed/Refractory Follicular Lymphoma

5–6:30 pm

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love **SESSION II: Non-Small Cell Lung Cancer**
Please visit the Research To Practice website for up-to-date information on educational grant support.

WEDNESDAY, APRIL 21, 2021

12–1 pm

Industry-Supported Symposia

- Erleada for the Treatment of Patients with: mCSPC and nmCRPC
- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION III: Acute Myeloid Leukemia
Please visit the Research To Practice website for up-to-date information on educational grant support.

4:45–5:45 pm

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION IV: Colorectal and Gastroesophageal Cancers
Please visit the Research To Practice website for up-to-date information on educational grant support.

6–8 pm

State of the Society: ONS Business Meeting

THURSDAY, APRIL 22, 2021

8–9 am

Chakra Balancing Yoga Flow (Encore)*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

8:30–10 am

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION V: Prostate Cancer
Please visit the Research To Practice website for up-to-date information on educational grant support.

9–10 am

Having a Ball: A Healthy Dose of Music, Laughter, and Patient Inspiration O

Presented by the Oncology Nursing Certification Corporation

Industry-Supported Symposia

- MPN Working Group: Practical Applications for Nurses to Improve Patient Outcomes and Next Steps to Move the Field Forward

This activity is supported by an educational grant from Incyte Corporation.

- Making Modern Treatment Choices in CLL: Oncology Nurse Insights on the Patient Journey and the New Era of Care

This activity is supported by independent educational grants from AstraZeneca, and Pharmacyclics LLC, an AbbVie Company and Janssen Biotech, Inc., administered by Janssen Scientific Affairs, LLC.

- Advances in targeted therapy for AML: Practical management of BCL-2 inhibitors

10–10:15 am

Break

- Morning Welcome and Announcements
- ONS Corporate Council Resource Video: Eisai

10:15–11:15 am

Education Breakout Sessions

- Immuno-Oncology Landscape: What Does the Future Hold? (Part 1) AP
- The Psychiatric Patient With a Cancer Diagnosis: Dual Treatment Strategies (Part 1) AP
- Dental Oncology: Addressing Oral Care, Rehabilitation, and Long-Term Management CP
- Best of Research Abstracts R

11:15–11:45

Learning Hall Hours

- Combining the HER2+Breast Cancer Antibodies You Know in One Faster Mode of Administration
- Initiating VENCLEXTA Treatment in Patient with CLL
- Seagen Inc. Booth Presentation

11:45 am–12:45 pm

Education Breakout Sessions

- Ethical Dilemmas: Advocating for Your Patients CP
- Building of a CAR T-Cell Program: How to Go From None to Done L
- Pathway to Resilience for Oncology Nurses: During a Pandemic and Beyond (Part 1) O
- Immuno-Oncology Landscape: What Does the Future Hold? (Part 2) AP

12:45–1 pm

Wellness Break

- Stress Resilience in Challenging Times
Sponsored by Pfizer

1–2 pm

Education Breakout Sessions

- It Is a Matter of Time: Sepsis in Oncology Practice CP
- Leveraging Digital Health as an APRN (Part 1) AP
- Telehealth in the Oncology Setting: Dotting the I's and Crossing the T's to Ensure Compliance and Reimbursement L
- Identifying and Managing Germline Inherited Cancer Syndromes (Part 1) O
- Pathway to Resilience for Oncology Nurses: During a Pandemic and Beyond (Part 2) O

2–4:30 pm

Learning Hall Hours

2–2:45 pm

Industry-Supported Learning Theaters

- A Treatment Option for Patients with Myelodysplastic Syndromes
- An Anti-CD38 Directed Antibody for the Treatment for Appropriate Patients with Relapsed Refractory Multiple Myeloma
- Learn More About an FDA-Approved Treatment for Metastatic Triple-Negative Breast Cancer

2–3 pm

Gentle Chair Yoga*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

3–3:45 pm

Industry-Supported Learning Theaters

- Driving Innovation in the Treatment of Solid Tumors.
- Exploring a Treatment Option for Patients With Previously Treated Metastatic Small Cell Lung Cancer (SCLC)
- Monjuvi (tafasitamab-cxix) for Use as Second-Line Therapy in Adult Patients with R/R DLBCL, in Combination with Lenalidomide
- ALUNBRIG® (brigatinib) for the First-Line Treatment of ALK+ mNSCLC: Clinical Case Study Review

3:45–4:45 pm

Education Breakout Sessions

- What Is in a Name? Biosimilars in Oncology Practice CP
- Spotlight on Awards: The ONS Distinguished Researcher Lecture O
- Identifying and Managing Germline Inherited Cancer Syndromes (Part 2) O
- Leveraging Digital Health as an APRN (Part 2) AP

4:45–5 pm

Break

- ONS Corporate Council Resource Video: G1 Therapeutics

5–6 pm

Industry-Supported Symposia

- Onco-Nurse Academy™: Evolving HER2 Treatment Approaches Across Tumor Types
This activity is supported by an educational grant from Pfizer Inc.
- Clinical Management of Patients with CABOMETYX® (cabozantinib) + OPDIVO® (nivolumab)
Program is presented on behalf of Exelixis.

5–6:30 pm

Industry-Supported Symposia

- Genomics and Hematologic Malignancies: Beyond the Philadelphia Chromosome
- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION VI: Hodgkin and Non-Hodgkin Lymphomas
Please visit the Research To Practice website for up-to-date information on educational grant support.

8–9 am

Gentle Chair Yoga (Encore)*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

8:30–10 am

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love **SESSION VII: Multiple Myeloma**
Please visit the Research To Practice website for up-to-date information on educational grant support.

9–10 am

Industry-Supported Symposia

- Navigating Novel Terrain in Neurofibromatosis Type 1: An Interactive Road Map for the Oncology Nurse in the Era of Targeted Therapy
Supported by an independent educational grant from AstraZeneca.
- Changing Times in DLBCL: Oncology Nurse Insight on the Practicalities of Antibody Therapy
This activity is supported by educational grants from ADC Therapeutics America, Inc., Incyte Corporation, and MorphoSys Inc.
- The New Therapeutic Era in Renal Cell Carcinoma: Oncology Nursing Essentials for Patient Care
This activity is supported by educational grants from AVEO Pharmaceuticals, Bristol Myers Squibb, Eisai Inc., Exelixis, Inc., and Merck & Co., Inc.

10–10:15 am

Break

- Morning Welcome and Announcements
- ONS Corporate Council Resource Video: Genentech

10:15–11:15 am

Education Breakout Sessions

- Engaging the Oncology Nurse Learner With Technology and Innovation **L**
- So Your Institution Wants to Administer Radionuclides? **RT**
- Innovative Methods for Study Enrollment **R**
- Ask ONS: Oncology Nurses Address Your Clinical Questions **CP**

11:15–11:45 am

Learning Hall Hours

11:45 am–12:45 pm

Education Breakout Sessions

- Patient Acuity Tools in the Outpatient Infusion Setting: How to Make Them Work for You **L**
- Building an Oncology Inpatient Unit: Staffing, Educating, Stabilizing, and Beyond **L**
- Bench to Bedside: BRCA1/2 and Beyond: Risk Prediction to Targeted Therapies **O**
ONS/AACR Joint Session

- An Evidence-based Approach to Decreasing Vascular Access Complications in Oncology Patients
- Bringing the bedroom to the bedside: Discussing sexuality and intimacy
- Clinical management and dose modifications with an immunomodulatory treatment in relapsed/refractory multiple myeloma
- Clinical Considerations for Nurses When Administering DARZALEX Faspro®

2–3 pm

Yoga Flow and Lymphatic Face Massage*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

3–3:45 pm

Industry-Supported Learning Theaters

- CAR T Cell Therapy: The Science and the Patient Journey
- Introducing PEPAXTO: The First Anticancer Peptide-Drug Conjugate for the Management of Multiple Myeloma in Patients Who Have Received at Least 4 Prior Lines and are Triple-Class Refractory

3:45–4:45 pm

Education Breakout Sessions

- Role of the APRN in Prescribing Oncologic Agents AP
- Challenges and Innovations in Remote Oncology Research: Study Visits and Biometric Collection (Part 2) R
- Cytogenetics: Ethical and Clinical Challenges in Cancer Genomic Risk Assessment (Part 2) O
- Perception is Reality: Leveraging the Value of Certification L
Presented by the Oncology Nursing Certification Corporation

4:45–5 pm

Break

- ONS Corporate Council Resource Video: Janssen and Johnson & Johnson

5–6 pm

Industry-Supported Symposia

- Oncology Nursing Showdown! Aggressive Non-Hodgkin Lymphoma Edition
This activity is supported by independent educational grants from Pharmacyclics LLC, an Abbvie Company and Janssen Biotech, Inc. and Seagen Inc.
- Show Me Your Care Plan!™ Nursing Strategies to Individualize CLL Patient Care in the Context of Recent
This activity is supported by educational grants from AstraZeneca and AbbVie.
- Reaction in Action: Strategies to Effectively Manage Patients With Anemia on IV Iron Therapy
Supported by an independent educational grant from Pharmacosmos Therapeutics, Inc.

5–6:30 pm

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love
SESSION VIII: Gynecologic Cancers
Please visit the Research To Practice website for up-to-date information on educational grant support.

WEDNESDAY, APRIL 28, 2021

12–1 pm

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION IX: Urothelial Bladder Carcinoma
Please visit the Research To Practice website for up-to-date information on educational grant support.

THURSDAY, APRIL 29, 2021

8–9 am

Yoga Flow and Lymphatic Face Massage (Encore)*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

8:30–10 am

Industry-Supported Symposia

- The Spectrum of MDS: Disease Management and Patient Education
This activity is supported by an independent educational grant from Bristol-Myers Squibb
- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION X: Chronic Lymphocytic Lymphoma
Please visit the Research To Practice website for up-to-date information on educational grant support.

9–10 am

Industry-Supported Symposia

- Cases and Conversations™ in Multiple Myeloma: Nursing Considerations for Managing Relapsed/Refractory Disease
This activity is supported by educational grants from Janssen Biotech and Sanofi Genzyme.
- Updates on the Treatment of Patients with Unresectable or Metastatic HER2+ Breast Cancer Who Previously Received Anti-HER2 Therapies

10–10:30 am

Closing Keynote

- Health Policy Session With US Representative Lauren Underwood 

10:30–11:30 am

Education Breakout Sessions

- Cognitive Impairment: Following the Evidence and Improving Quality of Life 
- Beyond the Beam: Managing Radiation Therapy Side Effects 
- Research Abstract Critique 
- The Psychiatric Patient With a Cancer Diagnosis: Dual Treatment Strategies (Part 2) 

ONS CONGRESS SCHEDULE KEY

- Assisting Patients to Have a Voice in Their Care: Roles of the RN/APRN in Advance Care Planning Conversations (Part 1) O
- Surgical Oncology: Enhanced Recovery Improves Outcomes (Part 1) O
- Medical Marijuana: Exploring Established Guidelines for APRNs Certifying a Medical Marijuana Condition (Part 1) AP
- Best of Late-Breaking Research Abstracts R

1–2 pm

Education Breakout Sessions

- Am I an Oncology Nurse? Yes, I Am an Oncology Nurse, and More! L
- Symptom Science: State of the Science (Part 1) R
- Assisting Patients to Have a Voice in Their Care: Roles of the RN/APRN in Advanced Care Planning Conversations (Part 2) O
- Surgical Oncology: Enhanced Recovery Improves Outcomes (Part 2) O
- A Showcase of Nursing Innovation CP

2–2:45 pm

Industry-Supported Learning Theaters

- Advancements in the Clinical Management of Advanced Gastrointestinal Stromal Tumor (GIST)
- Targeted treatment regimen for adult patients with BRAF-MT unresectable or metastatic melanoma
- Treatment Options For Patients with Lung Cancer
- XPOVIO® (selinexor): Now approved as early as 1st relapse in Multiple Myeloma

2–4:30 pm

Learning Hall Hours

2–3 pm

Restorative Yoga and Sound Healing Meditation*

Supported by the Oncology Nursing Foundation and Sarah Cannon, the Cancer Institute of HCA Healthcare, Nashville

3–3:45 pm

Industry-Supported Learning Theaters

- A Discussion of Efficacy and Safety on a Treatment Option for Adults With Relapsed or Refractory (R/R) Acute Lymphoblastic Leukemia (ALL)
- NERLYNX® (neratinib) for Patients With HER2+ Breast Cancer: Strategies and Support Tools to Achieve Durable Therapy
- Cosela: A Novel Myeloprotection Therapy
- BLENREP belantamab mafodotin-blmf for Injection 100mg

3:45–4:45 pm

Education Breakout Sessions

- Emerging Therapies in Radiation From a Medical Physics Perspective RT
- Symptom Science: Precision Health (Part 2) R
- New Administration, New US Congress, New Opportunities for Nurses to Be Advocates O
- Medical Marijuana: The Role of an APRN Certifying a Medical Marijuana Condition (Part 2) AP

5–6 pm

Industry-Supported Symposia

- Real-World Nursing Scenarios in Pancreatic Cancer: A Look at New Therapies, Treatment Sequencing and Patient Considerations
This activity is supported by an educational grant from Bristol Myers Squibb.
- Actionable Mutations Within NSCLC: New Targets and New Treatments
Supported by independent educational grants from Amgen, Blueprint Medicines Corporation, Lilly, and Novartis Oncology

5–6:30 PM

Industry-Supported Symposia

- Dissecting the Decision: Investigator Perspectives on Key Issues in the Management of Common Cancers A Complimentary NCPD Webinar Series Moderated by Dr Neil Love SESSION XI: Chimeric Antigen Receptor T-Cell Therapy

Please visit the Research To Practice website for up-to-date information on educational grant support.

6:30–7:30 pm

Industry-Supported Symposia

- CURE Extraordinary Healer Award for Oncology Nursing

Schedule current as of April 13, 2021. Please check congress.ons.org/schedule for the most up to date information.

**All times listed are in eastern standard time.*

**All yoga sessions require a separate registration fee.*
