

Connie Henke Yarbro Oncology Nursing History Center Deed of Gift

Donor name:

Address:

Telephone:

Email:

Collection name:

I hereby give, grant, and transfer the material described above to the Oncology Nursing Society.

Select one:

- I relinquish whatever physical and literary rights I may possess to the contents.
- I relinquish whatever physical rights I may possess to the contents. I, and my heirs and assigns, **retain all literary rights** to the transferred material. I, or my heirs and assigns, may be contacted at the address on record to provide written consent to the extent necessary for use of the transferred material under my retained literary rights.

Permission to digitize and display collection online:

- I grant permission for the Oncology Nursing Society to display digital reproductions of items from this collection on the internet for use by researchers. In granting this permission, my intention is not to surrender my intellectual property rights to materials in the collection but only to promote scholarship by providing electronic copies for personal study and not-for-profit educational uses.

The following statement will accompany the digitized items from this collection:

Materials contained in this collection are protected by copyright laws and may not be reproduced, republished, distributed, transmitted, displayed, broadcast, or otherwise exploited in any manner without the express prior written permission of the Oncology Nursing Society or as permitted by applicable law.

Donor name (printed):

Donor signature:

Date:

On its part, the Oncology Nursing Society will use reasonable efforts to care for the above material in a manner that in its sole judgment will provide for the physical preservation of the items gifted. It is the intent of the Oncology Nursing Society to make the items gifted herein readily available for research; however, all access to the gifted material shall be at the sole discretion of the Oncology Nursing Society. The Oncology Nursing Society reserves the right to deaccession duplicate or unneeded items with the understanding that, where possible, they will be returned to the donor or transferred to a similar institution or historical society.
