How will staff redeem the vouchers?

The individual purchasing the course vouchers distributes them to staff. Vouchers will be used to make payment at the time of registration.

Note. Course vouchers will carry an expiration date of 12 months from the date of purchase.

If you have additional questions or requests for information, please contact help@ons.org.

How many contact hours of CNE are offered?

The course is worth 4 contact hours of CNE.

What if I want to cancel my registration?

If you wish to cancel your online course registration, you must notify ONS by sending your request via email to help@ons.org before accessing the course. ONS will provide you a monetary refund equal to the cost of the course registration minus 30% cancellation fee.

On-demand, what does that mean?

This means the nurse receives instructions regarding how to access the course, included on their receipt, at time of registration. The nurse will then have full access to the course content for 6 months. As an on-demand course there are not specific start dates and the course does not have a maximum enrollment limit. Nurses will be able to print their CNE and card when they complete all requirements
